

DA Varsity Lions VS THE CAVEMEN

On Saturday the DA Lions played the DA staff team in the first game of the new softball season. The Lions came out with an all new team with only 4 returning players. The DA staff started off batting and had a solid inning off the big hit from Josh McIntosh and Jeff Amstutz scoring 2 runs in the first. The Lions managed to hold them off and went in to bat. However their bats took a nap on them and it was a 1-2-3 inning. It was pretty much one sided from there on. The DA staff had a solid hitting day and the Lions were not able to answer. The defending league champions were defeated and the DA staff team is now 1-0. We hope to see a much more exciting Lions team next week.
