

Sending Organization Endorsement

Dear Sending Organization,

Thank you for sending _____ to minister to the children at Dakar Academy (DA). All staff members at Dakar Academy are considered full time missionaries and need to have prayer and financial support. Thank you for partnering with _____ in both of these ways.

DA policy requires expatriate staff to come through one of its owning missions (United World Mission, Assemblies of God, and WorldVenture) or sending organization approved by the Board. This approval is usually only granted to an evangelical mission organization or a staff member’s home church. The Board may also approve a staff member be sponsored by a minimum of six individuals who may constitute his/her sending organization.

As a sending organization, you need to be aware of Dakar Academy’s contribution to the financial needs of its staff and the limitations of that participation. Attached you will find two documents describing the staff benefits package and the long-term absence provisions.

Dakar Academy wants to support your missionary as much as possible, but there are certain situations that are beyond its support:

- Deportation
- Evacuation due to civil unrest, medical emergency, or death of a family member
- Repatriation of a body in case of death
- Long-term leave by an employee due to medical needs.
- Medical expenses of a staff member and/or family members exceeding insurance reimbursements

If you are willing to be the sending organization for this applicant, please sign the statement and fill in the information requested.

We agree to be the sending organization for _____ and his/her family members living in Senegal while serving on staff at Dakar Academy.
