I. Fees

A. Enrollment Fee

An annual enrollment fee is required of all tuition-paying students. The fee varies between MK and non-MK students. It includes a yearbook for each paying student. (See addendum Section D.1)

B. Tuition

1. Annual tuition per child: Fees charged differ based on the student's status as a non-MK or as a MK from an owning or non-owning mission. (See addendum Section D.3-4)
2. Each owning mission determines whether those missionaries working with them are entitled to member mission tuition privileges.

C. Building Fee

A one-time building fee per each new family is due at registration (See addendum Section D.2)

D. Payment Due Dates and Method of Payment

1. Enrollment fee is due May 1st or upon enrollment. The enrollment fee is non-refundable except in cases where Dakar Academy denies enrollment. Testing fees will be deducted from the refund.
2. Tuition fees are due on the first day of school.
3. Payments may be made by US \$ check and in CFA cash or check, from approved Senegal banks.

E. Collection of Delinquent Tuition

Accounts are considered overdue at the end of the second week of classes. Late payments are assessed a \$50 penalty. Alternative payment arrangements must be made through the business office or the student(s) will be excluded from classes after the second week of classes. The director will make this decision.

F. Special Privileges

1. No special privileges are given to anyone, including government personnel, American or other, regarding tuition rates or methods of payment.
2. Exception on Payments: In cases where embassies are awaiting receipt of tuition allowances, time extensions may be granted if written guarantees of payment in full are given by the embassies prior to the normal due dates. This letter of guarantee will be valid until the first grading period of that semester, after which the children will be excluded from class until the account is paid in full, including late payment fees.

G. Semester Reductions and Refunds

Reductions for late entry begin at the end of each quarter. A 25% reduction will be made after each quarter. No refunds are given for entry in the last quarter of. Enrollment fees are not reduced, only tuition fees.

H. Private Instruction

1. When tutoring or music lessons are available, priority is given to MK students. Arrangements for private instruction on campus are to be made between the student and the teacher and are billed

through the business manager. When tutoring or music lessons are given by staff, 75% of the fee is paid to the staff person. The remaining 25% will be retained by D. A. to cover administration costs. No travel expenses are paid.

2. Hourly tutoring/music lesson rates vary for MK and Non-MK children. (See addendum Section G. 1-2)
3. All arrangements must be verified by the signature of the director, teacher, and the parent on a form provided by the business manager. Dakar Academy, through the business manager, assumes the responsibility of the collection of these fees and payment to the teacher.

I. Use of School Property by Non-Missionary Personnel

Use of school property by non-missionary personnel must be approved through the director. The director and business manager establish fees for use.

J. MK-Home

1. Mission Statement

Dakar Academy's MK-Home exists to provide a home-like atmosphere with loving adults who will fill the role and meet the responsibilities of parents for our students living apart from their families. The MK-Home is to be physically, emotionally and spiritually a safe place in which to grow up.

2. Opening and Closing

The opening and closing of the MK-Home is dependent upon meeting the needs of the owning missions.

3. Admission of Boarding Students

- a. It is the goal of the Academy to provide boarding facilities as needed for all duly registered children of missionaries. The board is responsible for providing facilities and personnel.
- b. Applications for all MK-Home students are due by March 1st for the following school year. A non-refundable application deposit (see addendum Section E) must accompany all MK-Home applications. Applications received after March 1st will be accepted on a space available basis only.
- c. Admission of all children to the MK-Home is subject to the approval of the Director.
- d. The Academy is not obligated to accept children who:
 - 1.) Have emotional problems that would hinder their adjustment to a normal MK-Home routine.
 - 2.) Are not cooperative with the MK-Home rules that are necessary for healthy MK-Home living conditions.
- e. Students in grades 1-4 will be admitted to the MK-Home on a probationary basis. Both the student's teachers and the MK-Home committee will make a review of the student's adjustment after the end of the first grading period.
- f. Kindergarten-age boarding students will not be accepted.
- g. Children whose parents live within the Dakar area will not be considered for boarding.
- h. In cases of missionary children applying for temporary admission to the MK-Home, the MK-Home parents shall be consulted prior to any agreement. Children in such special cases are subject to all MK-Home rules. If a child is removed from the MK-Home with less than one week's notice, the boarding fee for that week is considered due.
- i. If it becomes impractical or impossible to accept all boarding student applicants, the following priority listing serves as a guide for determining which students will be accepted:
 - 1.) Sixteen places will be guaranteed for Southern Baptist children.
 - 2.) Owning-mission children.

- 3.) Additional SBC children over the guaranteed sixteen.
 - 4.) Non-owning mission children.
 - 5.) Older children are given preference over younger children within each category.
4. Suspension or Expulsion of Boarding Students
 - a. Students are required to comply with the regulations of the MK-Home and submit to the MK-Home parents' authority. Willful disobedience, open defiance of a MK-Home parent's authority, or any habitual conduct unbecoming of a Christian is sufficient cause for suspension or expulsion from the MK-Home.
 - b. The Director may, upon consultation with the MK-Home parents, suspend a student from the MK-Home until a meeting of the executive committee is convened.
 - c. Students may be re-admitted on a conditional basis for a four-week probation period. Toward the end of the four weeks, the Director shall evaluate the student's behavior and a recommendation made to the executive committee in the following terms.
 - 1.) Full acceptance
 - 2.) Continuation of probation
 - 3.) Expulsion from the MK-Home
 5. Room and Board Fees
 - a. The board, in consultation with the director, establishes room and board fees. (See addendum Section E. 1-4).
 - b. MK-Home parents and their children pay MK-Home board fees. The fee covers them for the full calendar year.
 - c. Missed meals: No rebates will be given from the MK-Home account for missed meals.
 6. MK-Home Activity Fee
 - a. All students residing in the MK-Home will be required to pay this fee at the beginning of each semester. For 1998-99 the fee is set at 50,000 CFA per semester.
 - b. The MK-Home parents will use the monies to pay for group activities inclusive of all MK-Home residents. This could include school activities such as plays, WAIST, or a madrigal dinner. It could also include MK-Home outings such as a trip to Goree or a game park.
 - c. Excess funds at the end of the year will be returned to the parents of boarding students.
 7. Guests

The MK-Home committee will set rates for guest meals and rooms. See the MK-Home handbook.
 8. Medical Check-ups for Workers

All school workers involved inside the MK-Home are required to have an annual check-up for tuberculosis and parasites. MK-Home parents insure that this procedure is carried out at Academy expense.

9. Records and Reports of Boarding Students
Adequate health and conduct records of boarding students will be maintained.
10. Evaluation of the Boarding Program
The MK-Home committee will evaluate the MK-Home program annually with input from parents as appropriate. In addition, an evaluation of the MK-Home parents will be done in accordance with school policy.
11. Supervision of Student Safety and Protection
The MK-Home parents are responsible to the director for providing for boarding student safety and protection while a student is under the jurisdiction of the Academy. Boarding students are considered under the Academy's jurisdiction from the time they meet an authorized Academy representative until they return to their parents.
12. MK-Home Committee
The MK-Home committee will consist of the director, the dorm parents, a Southern Baptist representative, and a representative from the board. The same person may represent the Southern Baptists and the board. This committee will be revised annually.

K. Transcript Of Credits

A fee is charged for transcripts (See addendum Section H). The fee for the release of transcripts applies to Dakar Academy *graduates only*.

L. Changes To Fee Structure

All fees are subject to evaluation each year at the semi-annual board meeting.

 - a. Two, three or four-year contracts will be issued to expatriates coming to Senegal for the express purpose of working at Dakar Academy. These staff members must come through an owning mission or be guaranteed by an approved sending organization.
 - b. An approved sending organization may include mission organizations and home churches. If this is not possible, staff members may be sponsored by a minimum of six individuals who will constitute a sending organization. Sending organizations must agree to be liable for the staff member in cases of emergency. The executive committee must approve all sending organizations prior to finalizing staff contracts. (See addendum for details on process of approving sending organizations.)
2. Expatriate Missionary Direct-Hire Staff
A one-year non-renewable contract may be offered to expatriate staff who do not come with an owning mission or an approved sending organization. Direct hire staff wishing to continue at DA after one year must change status to Expatriate Missionary Contract Staff and fulfill corresponding requirements.

Renewable one-year contracts may be offered to individuals hired from the local missionary community. Contract terms include base subsidy, personal leave days (one day for first contract and two days for subsequent contracts), professional training, and children's tuition.

4. Local Hire

No Senegal resident may be hired without current legal identification. Non-missionary expatriates may be hired only if their in-country status agrees with the position they are seeking. Qualified Senegal residents may be employed to fill positions. The hourly rate for local hire will be a graduated rate based on:

- a. Years of teaching experience.
- b. Years at DA
- c. Degrees earned and their practical application to the position.
- d. Abilities and talents brought to the position.

(See addendum Section C. 1-5)

5. Substitutes

Substitutes are paid a daily rate based on level of education and certification (See addendum Section B.).

B. Staffing Goals

1. Four Year Contract Staff

In order to assure a stable academic climate and effective operation, 4 -year contract staff will be sought to fill the following positions:

- Director
- Business Manager
- Chaplain/Counselor
- Librarian
- MK-Home Parents

2. Teacher Load

In order to assure quality education and prevent teacher burn-out, the director will endeavor to limit the number of different courses taught by individual MS/HS core subject teachers to four. No teacher in core subjects will be asked to teach more than five different courses during any one semester.

C. Salary Subsidies and Benefits for Defined Positions (See Addendum Section A)

1. Base Subsidy

Expatriate contract, expatriate direct hire, and local mission staff receive a fixed annual salary subsidy in accordance with the constitutional provision for consistency.

2. Base Benefits

a. Housing, Utilities, and Transport to Campus: Furnished housing, utilities stipend and transport to and from campus for work are provided for expatriate contract and expatriate direct hire staff. Non-staff family members living with these staff are included in these benefits. Expatriate contract staff receiving fourth year or higher benefits have the option of receiving the average value of these benefits as a package allowance upon approval of the Director. Approval will be based on evidence that the staff member is able to comply with the following requirements:

- 1.) Provide own furnishings
- 2.) Pay deposits for water and electricity
- 3.) Arrange for payment of routine bills at utility companies
- 4.) Pay for emergencies related to housing

- 5.) Single staff must share housing with another Christian expatriate single/family or live in a compound/building where other missionaries live.

Staff members who have alternative, equivalent insurance coverage will be remitted the amount it would cost to insure them under the group plan up to the stated maximum. Non-staff family members must be insured and may be included in the group plan at the expense of the staff member.
4. Personal Leave Days
 - a. Expatriate contract, direct hire and local mission hire staff receive one day (first year) or two days (subsequent years) annually for personal leave. Personal leave days do not accumulate.
 - b. Staff members holding career status with a mission may be granted additional days off to attend required mission meetings.
 - c. Staff who are allowed more personal days must reimburse the school \$50 for each day taken above the allotment.
5. Air Fare Reimbursement

Upon completion of two years of service at the Academy, expatriate contract staff may be reimbursed up to the amount stated in the addendum for airline tickets to/from Dakar. (See Incentives for Signing Longer Contracts, Section II. B. 16.) The amount is calculated annually at half of a direct round-trip New York - Dakar economy fare. The airfare benefit accumulates until used.
6. Professional Training Reimbursement

Upon completion of three years of service at the Academy, expatriate contract staff may be reimbursed up to the amount stated in the addendum for professional training taken for the purpose of maintaining professional competence and/or certification. (See also Incentives for Signing Longer Contracts, Section II. B. 16.) Local missionary hire staff receive this benefit for each year of service at the Academy.

 - a. The professional training benefit accumulates throughout the duration of employment at the Academy and during subsidized furlough years.
 - b. Payments made for required certification applications may be deducted from the professional training reimbursement.
 - c. Expenses related to in-service and professional development programs attended at the request of the Academy are covered by the Academy and will not be deducted from a staff member's professional training account.
 - d. School loans incurred prior to employment at the Academy are not reimbursable.
 - e. Reimbursements may be collected up to 18 months after termination.
7. Furlough / Retirement Subsidy

Expatriate contract staff members accumulate a percentage of furlough subsidies for each year of service at the Academy, beginning with the fourth year. (See also Incentives for Signing Longer Contracts, Section II. B. 16.) The amount applied annually to a staff member's account is calculated at one-fourth of the base subsidy plus average base benefits.

 - a. Accumulated subsidy may be collected at the end of any school year beginning with the fourth year.
 - b. Accumulated furlough subsidy that has not been collected will be paid to the staff member upon termination, as a retirement benefit.

8. Mid-Year Severance

- a. Termination by employee with minimum of one month's notice: Expatriate contract, direct hire and local missionary hire staff members terminating service during the course of a school year forfeit the remaining percentage of base subsidy and benefits for that year, and instead receive severance pay in the amount stated less outstanding bills. The value is set at one week's pay per year of service up to a maximum of six weeks. Documentation of the entire termination process will be filed in the staff member's personnel file.
- b. Termination by employee with less than one month's notice: Base subsidy will be paid to date of termination less any outstanding bills. Exceptions may be made by the executive committee in emergency cases.
- c. Termination by Dakar Academy: Notice of termination must be in writing by the Director stating terms of severance as decided by the executive committee. Expatriate contract, direct hire and local missionary hire staff members whose service is terminated during the course of a school year will forfeit the remaining percentage of base subsidy and benefits for that year, and instead receive severance pay in the amount stated less outstanding bills. The value is set at one week's pay per year of service up to a maximum of six weeks. The executive committee has the right to augment this amount. Documentation of the entire termination process will be filed in the staff member's personnel file.

9. Children's Tuition

The first three children of missionary staff members will receive free tuition and exemption from enrollment fees. Staff members must pay the full owning mission tuition rate for any additional children.

10. Language Study

Dakar Academy will hire a qualified teacher to give beginning level French instruction to staff members after school hours. The hours per week offered will depend on the needs and interests of the staff. Cost of textbooks will be included. Benefit will be extended to each staff member on a one-time, one-year basis. Courses taken at other local language centers or for advanced study will be at the staff member's own expense.

11. Subsidy Compensation

Staff on 11-month per year contracts receive one additional month's worth of base subsidy.

12. Maternity Leave

Expectant mothers on staff may receive a maximum of 6 weeks maternity leave without a reduction in pay.

13. Paternity Leave

A staff member whose wife is delivering a child may receive a maximum of 4 days paternity leave without reduction in pay.

14. Bereavement Leave

Personnel may take up to 2 weeks for bereavement leave for losses in the immediate family. Leave requests must be made to the director prior to leave being granted.

15. Service Gifts

DA may provide for service gifts for staff based upon the desires of the board following guidelines in Addendum A.

16. Incentives for Signing Longer Contracts

Expatriate contract staff members signing multi-year contracts accumulate the benefits of the final contract year during each year of that contract. With the exception of the base benefits package allowance, accumulated benefits may not be collected until the year the benefit normally begins has actually been served.

17. Conditions

- a. No back-pay will be given for years served under a different contract
- b. Part-time missionary staff working ½ time or more receive proportionate subsidy and benefits based on the percentage of time contracted.
- c. Staff returning after an extended furlough or leave of absence will re-enter the benefits scale according to the total number of years served.

D. Expectations

1. Teaching Requirements

One-year minimum teaching experience is required of all personnel engaged in teaching. The Director may make exceptions to this policy. It is intended that we maintain a high percentage of experienced staff each year while allowing for a qualified but inexperienced person to be included on staff.

2. Certification

All administrative, teaching and counseling staff are to have at least provisional certification from their state/province and/or from ACSI. The director and teaching staff remaining for more than three years are to have both. Each certified staff member is to keep his/her certification current and to upgrade as appropriate. The Director may make exceptions.

3. First Aid Training

In the annual selection of staff the director will endeavor to have at least one staff member with first aid training.

4. Obligations

- a. The director, business manager and maintenance supervisor shall serve the Academy for eleven months per year from August 1 to June 30. The director's presence during August and June is considered essential. The executive committee must approve any changes.
- b. All staff shall remain two days after the close of the school year to carry out closing tasks under the supervision of the director. The director must approve any exceptions, and work week responsibilities must be completed.
- c. All staff shall be on hand before the beginning of the fall term for orientation and preparation of materials.

5. Housing Assignments

Administrative staff in charge of housing will annually assign staff members to both on- and off-campus housing.

- a. Staff members must accept what is provided and must be willing to move if this is more economical for the Academy.
- b. When it is necessary for a career missionary to house a staff member, the Academy will assist in providing furniture, linens, and any repairs or remodeling necessary uniquely for the housing of that staff member.
- c. Pets: Staff members living in Dakar Academy housing are not permitted to have any fur-bearing pets. No pets are to be allowed indoors or outdoors. No pet sitting is to be allowed. Two watchdogs will be maintained on the grounds. Proper immunization and care must be provided.
- d. Returning staff members who will be teaching at D.A. the following school year, may use school housing without charge during the summer months. Although D.A. is not obligated to provide housing for non-returning staff, a grace period may be extended through the end of June, providing the person is willing to move to other housing as determined by the director and maintenance director.

6. Personal Conduct (See Teacher Handbook for rationales)
 - a. Staff members should dress neatly and modestly both on and off campus. Dress should be appropriate for the situation. Shorts are appropriate at the beach or in American recreational areas. Shorts, blue jeans and spandex type pants with short tops are not allowed during the normal school day. No clothing should be shorter than three inches above the knee. The Director makes exceptions to this rule concerning school day attire for appropriate positions (e.g. PE teacher) or situations.
 - b. Dakar Academy encourages staff members to develop friendships with the people of Dakar; however this should be with members of the same sex. If someone of the opposite sex expresses interest in Christianity, the staff member should refer that person to a Christian of the same sex. Moreover, with rare exceptions staff are not to date persons from other cultures. Only with the advice and consent of the director and the local mission leader will a staff member pursue such a relationship.
 - c. All expatriate staff will so conduct themselves with those of the opposite sex as to avoid any appearance or accusation of being indiscreet within either the cultural or spiritual codes. This includes the following:
 - 1.) No unmarried couples are permitted to be alone in a home.
 - 2.) No staff member should visit the bedroom of a staff member of the opposite sex unless they are married to each other.
 - d. All dating relationships between staff and other Americans or Canadians should be done with the knowledge and approval of the director and the individual's respective mission field leader. The dating couple will so conduct themselves as to avoid any appearance or accusation of being indiscreet within either the cultural or spiritual codes. If the couple has doubts about a particular situation or action, they will seek the advice of the director.
 - e. Staff are expected to behave as professionals toward their students. They must be their teachers, not their buddies. Staff are encouraged to know the difference between fraternizing and nurturing in their relations with students.
 - f. Staff should consult the dorm parents before any visit to the dorm unless there is a planned activity that has been approved by the dorm parents.
 - g. Staff members sharing living quarters with others should limit personal guests to reasonable hours.
 - h. Staff members are to avoid places whose primary purpose is dancing and/or serving alcoholic beverages such as discos, casinos, and nightclubs.
 - i. Staff members are not to dance when they are with a group representing Dakar Academy, and they are to use discretion about dancing at other times.
 - j. Staff members are to abstain from the use of alcohol as a beverage. Alcoholic beverages may be used for cooking purposes only.
 - k. When jogging off campus please observe the following guidelines:
 - 1.) Jog during daylight hours.
 - 2.) Jog with another person.
 - 3.) Do not wear jewelry, a watch, walkman, or anything of value.
 - 4.) Joggers should not wear "short" shorts or tights.

E. Orientation

1. The school board will participate in the staff orientation each year.
2. Teaching staff orientation is held the week before school opens.
3. The car policy is thoroughly covered during each annual orientation to assure proper use of these vehicles for staff needs.

F. Supervision and Evaluation

1. Non-teaching staff
 - a. Evaluation of the performance of all non-teaching staff shall be done in April.
 - b. Non-teaching staff will be evaluated using the written input of the rest of the staff and others as appropriate. The director will meet privately with each non-teaching staff member to discuss the results. The director will write an evaluation to be placed in each non-teaching staff member's file.
 - c. The evaluation of the performance of the director is accomplished with the input of the academic staff through the director evaluation form. The evaluation forms are given to the board chairman and discussed at a closed session of the full board after which the board chairman will discuss the results privately with the director.
2. Teaching Staff
 - a. The performance of all teaching staff is formally evaluated each semester. This evaluation is signed by the staff member, placed in his/her file and reported at the next full board meeting.
 - b. Following positive evaluation, a staff member wanting to extend his commitment is to inform the director by October 31 of their second year of their contract. A contract of appropriate duration will be issued for the staff member to sign.
 - c. Following a negative evaluation, the director must commence weekly consultations with the teacher concerning job performance. A written progress report of these consultations must be submitted to the teacher and each executive committee member. If performance still does not meet Academy requirements, the staff member will be notified by April 1 of the termination of their service.
3. Affirmation before Furlough

Prior to departure on yearlong furloughs, staff members must be affirmed by the board in order to be guaranteed a position upon their return.

G. Bereavement

If a substitute is necessary in the case of bereavement in the immediate family of a Dakar Academy staff member, the first two weeks will be paid by Dakar Academy and the remainder will be paid either by the staff member or the respective mission.

H. Service Gifts

For ten and twenty years of service a staff member shall be awarded a gift valued at the amount stated in the addendum (see Section A.). The gift will be selected by the executive committee of the board.

I. Parent/Student Complaint

1. A personal meeting to discuss the problem must be held between the parent/student and the staff member and/or administrator involved.
2. If the difficulty is not resolved on this level, the director shall schedule and preside at interviews between the parent/student and staff member. In the event that the director is one of the parties involved in the conflict, and resolution has not been reached in personal meeting, the dissatisfied party shall submit a formal request in writing to the board chairman to schedule and preside at an interview between the two parties.
3. These interviews shall be documented so as to include all pertinent facts concerning the problem. The documentation is to be signed by all the parties concerned.
4. If the problem remains unresolved, a formal request accompanied by all previous documentation shall be presented to the executive committee of the board. The executive committee will determine if a hearing is in order and hand down a final decision.

5. All such grievances, interviews, and documentation are private, and should in no circumstances be discussed or presented to persons not involved.
6. At no time shall anonymous letters or complaints be presented or accepted as any type of documentation or evidence.

J. Resolution Of Conflicts

When conflicts arise, either personal or work related, the following steps are to be taken in accordance with the principles outlines in Matthew 18:15 - 17:

1. The person who first recognizes the conflict should prayerfully check his/her own attitude and motives.
2. He/She should then arrange a private meeting with the other party to communicate his/her concern. This should be done in a loving, honest manner (Ephesians 4:15-16).
3. If the difficulty is not resolved to the satisfaction of both parties, an impartial third party should be asked to participate in further conferences. The details of these and all subsequent conferences should be documented.
4. At this point, if an acceptable solution has not been reached, an individual holding a leadership position in the school should be requested to preside at a formal meeting between the parties involved. The director should preside if the conflict is between non-administrative staff members. The board chairman should preside if the conflict involves an administrator.
5. In the event the conflict remains unresolved, a formal request, accompanied by all previous documentation, should be presented to the executive committee of the board. This committee will determine if a hearing is in order and hand down a final decision.
6. All such grievances, conferences, and documentation are private and should not be discussed with persons not involved.

III. Students

A. Admissions Policy

1. The Academy enrolls students without regard to color, race, religion, or creed. The student's parents are to receive a copy of the school's statement of basic philosophy and objectives to enable them to understand and accept the total educational program for their child.
2. Minimum Age
 - a. Kindergarten: A child must be at least five years old on or before October 31 to enroll in the kindergarten program for the school year starting in September. A child whose fifth birthday occurs on or before December 31 may be granted early admission on a probationary basis subject to attaining the accepted level on approved readiness tests and maturity level as determined by the teacher and the director.
 - b. First Grade: A child must be at least six years old on or before October 31 to enroll in the first grade program for the school year starting in September. A child whose sixth birthday occurs on or before December 31 may be granted early admission on a probationary basis subject to attaining the accepted level on approved readiness tests and maturity level as determined by the teacher and the director.
 - c. Early Admission to Kindergarten or First Grade: Requests for exceptions to the minimum age policies must be submitted in writing to the director and must include rationale for the request. The director will make the placement decision based on the validity of the request, documentation of previous educational experience, performance on approved readiness tests, space availability and teacher approval. All early placements will be made on a probationary basis with the understanding that the child may be moved to a lower level during the year or

retained at the same level for an additional year at the recommendation of the classroom teacher in consultation with the director.

3. Grade Placement

- a. Students enrolling in Grades 1-12 must provide records documenting successful completion of the prior level of schooling. Records will consist of transcripts, report cards, and /or portfolios of work samples. All grade placements are temporary until these records have been received and evaluated
- b. Any student above age six, coming from a school outside the United States or Canada, is to be tested for grade placement. Scores from recognized standardized tests that are no more than two years old may be accepted in lieu of DA-administered placement test. Elementary students who score significantly above or below their expected grade level will be placed in the grade appropriate for their age for a maximum six-week probation period to determine if actual academic ability, work habits and maturity level indicate a need for placement in a different grade.
- c. Requests for exceptions to standard placement must be submitted in writing to the director and must include rationale for the request. The director will make the placement decision based on the validity of the request, documentation of previous educational experience, performance on placement or standardized tests, space availability and teacher approval. All exceptional placements will be made on a probationary basis with the understanding that the student may be moved to a different level during the year or retained at the same level for an additional year at the recommendation of the teacher(s) in consultation with the director.
- d. Prior to testing for grade placement, a non-refundable fee equal to one half the enrollment fee must be paid to the Business Office. This fee will be applied to the enrollment fee should the parent enroll his child.

4. Foreign Language Placement

Any student new to the Foreign Language Department must meet with the foreign Language Department chairperson before placement. This policy includes students returning from furlough, homeschoolers, those new to Dakar Academy, as well as students new to the foreign language program.
